

SES the SUBIC BAY EXPRESS Service

Why do you take SES?

- It's stable.** Eastern China non-calling , less delays.
- It's reliable.** SES calls Hong Kong at HIT (HK International Terminal).
- It's comprehensive.** SES acts the dedicated service on Philippines wide ports. SES synergize with CPV (to Manila North), and SPM (to Manila South), contributing SITC 's full Philippines coverage.
- It's rare.** SES, one of the rare direct services in market, connects Hong Kong, Shekou and Philippines wide ports.
