**Why do you take SPM?**

**It's stable.** Eastern China non-calling , less delays.

**It's reliable.** SPM calls Hong Kong at HIT (Hong Kong International Terminal).

**It's comprehensive.** SPM acts the dedicated service on Manila South port. SPM synergize with CPV (to Manila North), and SES (to Philippines wide ports), contributing SITC 's full Philippines coverage.

**It's speedy.** SPM, typical shuttle service design, calls with Hong Kong, Shekou and Manila (S) only. Your SOLID, SPEEDY and APPROPRIATE shuttle.
